## About This Content

The billion dollar video games industry had to start somewhere, and this is the hilarious, heartbreaking, inside story of how it all began and where it's all headed. And in the middle of it all there was a game hailed as the best ever written. It was called Deus Ex Machina.

It was a creative triumph and it was a commercial disaster.

Meet the pirates, the nerds, the innovators, the charlatans, the superstars, the winners, the sinners, the good, the bad and the downright ugly.

A remarkable story revealed by the founder of the industry himself, with gut-wrenching honesty and merciless humor.

If you ever wondered how computer gaming turned us all into willing slaves, you're about to find out in glorious style.
